

Logger/Logger.h

```
graph TD; A[Logger/Logger.h] --> B[iostream]; A --> C[string];
```

A diagram illustrating dependencies. At the top is a gray rectangular box labeled "Logger/Logger.h". Two blue arrows originate from the bottom center of this box. The left arrow points down and to the left to a white rectangular box labeled "iostream". The right arrow points down and to the right to a white rectangular box labeled "string".
